

DIOCESE OF LINCOLN

RESERVATION OF A GRAVESPACE IN A CHURCHYARD

Notes to Intending Petitioners

1. Thank you for your recent enquiry about gravespace reservation. Please read these notes carefully before you decide to proceed, and then complete the Petition form on the pages following. Please keep these notes after lodging the Petition.

Right to Burial – Plot Reservation

2. You have a right to be buried in a Parish Churchyard if, at the time of your death you live in that Parish, or are on its Church Electoral Roll, or if you have died in the Parish (always provided that there is a churchyard with sufficient space). The only way to reserve a particular plot for a person's burial is to obtain a Faculty for that purpose. Faculties are granted at the discretion of the Consistory Court, and good cause must be shown. If you are acting on behalf of a minor, a person who is registered blind or disabled and for whom you hold a Power of Attorney, please indicate so clearly and provide a certified copy.

Seeking a Faculty

3. If you wish to reserve a gravespace, you should first contact the Incumbent or Priest-in-Charge responsible for the churchyard in question and through him/her seek the support of the Parochial Church Council. Then complete Part A of the Petition Form and after that take the form to the Incumbent or a Churchwarden, who is in a position to complete Part B of the form. When fully completed, send the form to the Diocesan Registry, accompanied by a copy of any PCC resolution in support certified by the PCC Secretary, Chair or Vice-Chair, and a copy of the churchyard plan with the space to be reserved marked on it. A statutory faculty fee will be payable (currently £327.40); you will be asked for this when your Petition has been received in the Registry.

Marking and Recording a Reserved Space

4. If a Faculty is granted, it will require the reserved space to be marked in such a way that it can be located when required. Responsibility for marking will lie with you as Petitioner, after you have agreed the method of marking with the Incumbent. You will be required to mark the space within one month of the granting of any faculty, and thereafter to ensure that the marker remains adequate for its purpose. Looking after the marker will not be the responsibility of the Incumbent, Churchwardens or PCC.
5. The normal method of marking is to place a durable wooden (or metal) stake at the head of the gravespace, marked with the initials of the person to be buried, followed by the year of reservation in brackets; e.g. 'A.B.C. (01)'. If some other method of marking was in use in the churchyard in question prior to December 1990, that method may be used provided it constitutes a permanent record and gives the same details. Other methods may only be used if approved by the Chancellor.

6. Markers should not be placed before a Faculty is granted. Such markers have no legal effect and may be removed during routine churchyard maintenance.
7. The Registry will write to the Parish Officers in due course about the making of an appropriate record on the Churchyard Plan.

Churchyard Maintenance

8. The Parochial Church Council is responsible, so far as its funds allow, for the care and maintenance of an open churchyard. In this Diocese it is a customary condition of a gravespace reservation that the person(s) for whose benefit the gravespace is reserved should make a contribution to PCC funds for this purpose. A receipt by the appropriate Parish Office must be endorsed on the back of the Faculty to bring it into full effect. The level of contribution is settled by the Chancellor in each case, but £150 per gravespace is the current standard figure. (This is quite distinct from the Faculty fee mentioned at 3 above, which is laid down by law and covers the costs of the Faculty procedure.)

Monuments

9. Reservation of a gravespace does not authorise the placing of any monument over the grave after burial. Application must be made, when the time comes, to the Incumbent then in charge of the churchyard.

Duration of reservation

10. Unless there are exceptional circumstances, the maximum period for which a gravespace may be reserved will be 25 years. At the end of that period an application can be made to extend the faculty if needed.
